

General Policy Statement on Health and Safety

The Health and Safety policy of ASD metal services is an equal partner to the commercial and financial objectives of the company.

The policy has three objectives:

- Zero Accidents
- Zero Ill Health
- Zero Prosecutions

ASD metal services will promote best practice internally and throughout the industry to meet these objectives.

ASD metal services will do all that is reasonably practicable to prevent injury to employees, the public and the environment.

In order to achieve its obligations ASD metal services will:-

- Provide and maintain safe plant and safe systems of work.
- Provide information, supervision and training to enable all employees to carry out their roles.
- Monitor and review all plant and premises to ensure standards are maintained.
- Ensure all business locations are reviewed annually by the Group Quality and Safety department.
- Ensure the use of approved and appropriate safety devices and equipment.
- Monitor and investigate all accidents and prevent reoccurrence by appropriate action.
- Promote consultation on health and safety matters with all employees.

This Policy has the total commitment of the ASD metal services board.
